Section C - Your Project Idea/Proposal

C1 Please use this space to explain about your project idea/proposal. Please be very specific about what you would do and how it would produce new opportunities for young people with poverty of opportunity. PLEASE NOTE we will not make general contributions to existing programmes of work. Your proposal must involve new ways of meeting the needs of young people or extend an existing service in an innovative way. (Maximum 4,000 characters including spaces which is about 600 words)

C2 When could the proposed project start and what would be its proposed duration/timetable.

C3 Briefly state the roles and numbers of any staff or volunteers who would work on the project (including but not limited to those whose salaries would be paid from the Trust's grant)

C4 What are the anticipated outcomes of the project and how many young people do you expect to benefit from the project each year? (Maximum 2,100 characters including spaces which is about 300 words)

C5 With specific reference to your previous answer - how will you measure the anticipated outcomes of the project and the numbers of young people who benefit? (Maximum 2,100 characters including spaces which is about 300 words)

C6 How will you ensure that the project is sustainable over time and what plans do you have to secure replacement funding in future years? (Maximum 2,100 characters including spaces which is about 300 words)

Section D - Financial Information

D1 Please explain the full cost of the proposed project to your organisation. (Maximum 2,100 characters including spaces which is about 300 words)

D2 How much are you seeking from the Trust and over what period?

Please say how you would make up the difference between the full cost and the amount you are requesting from us. If possible give a breakdown of the budget for the project showing elements you are specifically asking the Trust to pay for. Please note, as funds are limited proposals for the maximum sum available and those for 100% of the project costs are less likely to be successful.
